The Missy Project is looking for eligible people with a family history of B.A.D. to participate in our Community Screening Program. This program will save lives...

About the Process:

1. Provide documentation of family history of Brain Aneurysm
2. Participate in Telephone Discussion w/the Brain & Spine Institute
3. Sign Consent Screening Form
4. Schedule MRA Screening
5. Have a follow up meeting with staff of the Brain & Spine Institute to review screening results
